## Featured Wine Producer

As a part of our wine program at Chiswick we are featuring vigneronns who craft artisanal wines that display provenance and character. Our latest feature hails from the Hunter Valley in New South Wales. We hope you find them as delightful as we do.

### Harkham Wines

Small in production and of cult status, this family owned and operated winery, led by Richie Harkham, expresses a sense of honesty. The wines are handpicked, sorted several times, and undergo a preservative free wine making process showing the respect he has to the fruit. We have chosen to highlight the Aziza range, which is named after Richie's beloved grandmother and matriarch below.

2017 Harkham Aziza's Chardonnay 17/76

\*Barrel fermented in a traditional way using indigenous yeasts, this chardonnay is unfiltered and unfinned. It displays notes of grapefruit skin, honeyed orchard fruit, and baking spice.

2017 Harkham Aziza's Rose 16/72

\*Made with the saignée method where a portion of the pink juice from the grape must is removed at an early stage, and is fermented separately to produce rosé. Drinking like a light red, it shows notes of fresh peeled oranges, cherries, and slight herbaceous characteristics.

2017 Harkham Aziza's Shiraz 16/72

\*A unique approach to Hunter Valley Shiraz, this preservative free wine shows freshly picked woodland berries, leather, and earth. Its fleshy fruit is sourced from the coolest climate in the Hunter and is tamed by a delightful freshness.
