INSTITUT POLAIRE

COLDHEARTED LIQUOR

At Institut Polaire, we embrace Tasmania as the gateway to Antarctica with a passion for everything coldhearted.

Fall in love with cold climate wine and spirits from cool cats across Tasmania and beyond. Dive into some of the world's most revered and challenging terroir with an emphasis on low input, organic, biodynamic farming and natural techniques. We love the graceful styles of wine, aromatic gin, artisan whisky and alpine amaro these climes bring.

Institut Polaire is also the home of Domaine Simha wine and Süd Polaire spirits. Crafted by hand in micro batches, an avant-garde approach shapes living wine and pure spirits relying on ancient knowledge and intuition. At heart lies Tasmania's pristine natural environment, sparkling air and ancient soil.

PAYSAN		Paysan Pét Nat (500mL)		35

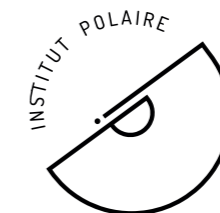

Crafted by hand, Just 2-3 barrels of each Domaine Simha wine are made each year. At heart lies the epic beauty of Tasmania's pure natural environment, sparkling air and ancient soil.

An avant-garde approach shapes living wine relying on ancient knowledge and intuition. Natural methods embrace harvesting by lunar cycle on fruit and flower days and whole bunch wild fermentation. Very gentle traditional foot pidgeage and basket pressing with maturation in custom demi-muid barrels and clay amphorae. Bottled unfinned and unfiltered with perfect natural balance. These are graceful wines of perfume and structure with superb ageing potential.

The house of Simha originates from sanskrit for lion.
